

Level-Up Society Hackathon

by ShowCode

A 48-hour hackathon, giving you the chance to help level-up society through gamification.

About this event

Registrations for our global online hackathon are now open 🌐

You can register for the hack now, either as a team or as an individual! If you don't have a team don't worry, you can find one on our [Discord Server](#) 🤖

🤖 Why join our hackathon?

- Compete for the chance to win our £5,000 main prize, as well as our sub-category prizes 🏆
- We'll have some awesome workshops in the build-up to the hack, and experienced mentors over the weekend to help guide you through 💡
- Either compete in a team with your friends, or join a team and make new ones! We're a bit biased, but a hack is a great way to engage with people 😊

📅 When and where

🕒 The hack will get underway on Friday July 16th at 18:00 BST with our intro session on YouTube live. We'll give you the full brief, judging criteria and everything you need to start the 48-hour hack!

🤖 As it's online, we'll run the event through our [Discord Server](#) with mentorship and breakout sessions available throughout the weekend. You'll receive updates via email and the link to [join our Discord](#) once you've registered, so check your junk if you don't have anything!

🚀 What you'll have to do

All will be revealed in our intro session 🙄🙄🙄 we don't want anyone getting a headstart so we're keeping our lips sealed. All you need to do is sign-up, and start thinking about an idea that could help Level-Up Society.

📖 FAQs

Do I have to be a student to take part?

No! The hack is open to anyone over the age of 18

What if I don't have a team?

Don't worry! There are lots of registrants who don't have a team from the very beginning. You'll be able to find and chat to others who are looking for a team on our Discord server

Do I need experience to take part?

Nope - everyone is encouraged to take part, regardless of experience or ability! Practice makes perfect

How big should a team be?

Teams can be between 2 - 5 people

Is it just open to people in the UK?

No! The timings will be BST, but with the hack being virtual, it's open to anyone around the
